AFS 2013 Raffle Committee Report

TO: **John Boreman**, President
FROM: Jimmy Barnett, Raffle Committee Chair
DATE: July 26, 2013

Activity Report

The raffle committee has been busy collecting items for the raffle and silent auction to be held at the Little Rock AFS 2013 meeting. We currently have items that range from fisheries related handmade pieces, outdoor artwork, fishing equipment, guided trips and lodging packages. The local host have met and decided that the raffle and silent auction will run concurrent with the trade show. The closing of the raffle and silent auction will be at 12:30pm on Wednesday September 11. This will allow the winning people to clear their accounts and pick up their prizes by the end of the trade show. Our student volunteer coordinator has scheduled 4 students to work the booth during the trade show.
