AFS 2012-13 Annual Report

TO: **John Boreman**, President
FROM: Robert N. Lea, Liaison to American Society of Ichthyologists and Herpetologists
DATE: 11 August 2013

I. Motion Report –

(A) Recommended Motion: There are no motions being submitted.

II. Activity Report --

(A) Summary of Outcomes and Accomplishments. The Liaison attended the annual Joint Meeting of Ichthyologists and Herpetologists in Albuquerque, New Mexico, July 10-15, 2013, of which the American Society of Ichthyologists and Herpetologists is an associated member. The Liaison met with several officers and members of ASIH and discussed the benefits of nurturing a strong relationship between the two societies.

(B) Recommendations or Suggestions for Future Consideration. The ASIH has an equivalent society intermediary, Representative to AFS. I would recommend that the two liaisons correspond during the year regarding common goals and concerns shared by AFS and ASIH. If there are areas of interest with ASIH these should be brought to the attention of the AFS Liaison prior to the ASIH annual meeting so that they can be discussed with their leadership and membership. The next ASIH meeting will be held in Chattanooga, Tennessee, July 30 - August 3, 2014.
